

1. K-LOVE serves me as a member of the community by offering family-friendly, commercial free Christian music. I love to worship the Lord, and doing so while listening to K-LOVE offers a unique, and joyful option for me, and my family. I do not have to be concerned about hearing offensive jokes, comments, or language, which frees me to feel comfortable listening to K-LOVE, no matter who is in the car with me.

2. If K-LOVE were to be displaced by an LPFM broadcaster with other programming, our community would suffer. This station provides an outlet for people to come to Jesus, and worship in their own, up-to-date way. Not only is the music ministering, but K-LOVCE provides on-staff pastors, and other people to pray with members of the community about being Saved, difficulties in their lives, and from what I understand has aided in saving many troubled lives.

3. K-LOVE is a service to the public interest because as I stated in #2, the people at K-LOVE have saved lives, they uplift the public throughout the day, they provide a listening ear to people who may not have an alternative. K-LOVE is a fantastic radio station, and you would be doing a great dis-service to the Oklahoma City community by replacing it with an alternative station. K-LOVE is needed in this community, and services us well. Please keep K-LOVE in our area...

Sincerely,
Melanie M.
